# Treatment Menu

## Philip Kingsley Elasticizer Mask

Delivers a rush of moisture to the hair's cuticle: suppleness, elasticity and bounce appear instantly without weighing down or coating the hair.

**Short Hair £17 / Long Hair £25**

## Philip Kingsley Elasticiser with Steamer

Intensifying the treatment, the slow heat from the Steam slowly penetrates into the Hair shaft for 20 minutes.

**£40**

## Davines Nou Nou Hair Mask

Ideal for Bleached hair, with highlights, perm or relaxed. Its formula is designed to deeply nourish treated hair, it also makes it soft and silky, giving it body. It does not weigh down the hair.

**Short Hair £17 / Long Hair £25**

## Davines Minu Hair Mask

Its formula is designed to deeply nourish coloured hair, creating shine, and improving the duration of cosmetic colour.

## Davines Gloss Shot

Enhancing shine while locking the hair's cuticle. This can be used on its own or added in any of the Davines Hair Masks to intensify.

**£10**

## Hydration Shot

Repairing hair that needs serious TLC. Perfect for sun-dried, porous and chemically processed hair. Can also be added to any Davines Hair Mask.

**£10**

## Philip Kingsley Exfoliating Scalp Mask

An intensive exfoliating scalp treatment to remove dead skin and counteract build-up of flakes. Exfoliating Scalp Mask is specifically formulated to combat flaking and itchy scalps and contains exfoliating and moisturizing agents to soothe and add suppleness to the scalp.

Can be used at the same time as Elasticiser and scalp Toner for maximum hair and scalp benefits.

**£25**

## Philip Kingsley Scalp Toner

Soothing leave-in Scalp Toner with an anti-microbial and anti-flaking formula. Provides immediate and long lasting relief from dandruff and irritation. Water based, leave-in formula. Fragrance Free.

This can also be used in conjunction with Exfoliating Scalp mask and Elasticizer.

**£10.**

## Phytorelaxer

A plant-based permanent hair relaxer formulated for Curly and frizzy hair. This cannot be used on highlighted, bleached, permed or henna treated hair.

**Price based on consultation.**

## Brazilian G-Hair

Powerful volume reduction treatment, it is ideal to tame even the most rebellious type of hair, combining the realignment of hairs to an expressive replenishment of keratin that eliminates the porous aspect, transforming opaque and rough hair into silky straight and very shiny

**hair. Price based on consultation.**
